

Volunteer Training

Important Information

If you would like to volunteer at Winand this year, whether it's in the classroom or for field trips, you must be trained and get a back ground check completed. Please complete the following steps in order to volunteer:

1. Go to www.bcps.org
2. Click on the tab that reads, "Parents"
3. On the left hand side it reads, "Get Involved", underneath are the links to get trained and the application.
4. Complete the application and the training video.
5. Please turn in the application and the certificate you receive when you are finished the video.
6. The office secretaries will complete the background check and then you will be cleared to volunteer.

Thank you so much for taking the time to be a part of your child's experience here at Winand! We look forward to seeing you on field trips and helping in the classroom!
